**Take Home Questions:**

1. Which principle resonates the most with you, or one that you have the most experience with?
2. Is it possible to blend all three principles together? That is, is it possible to shelter your children, while teaching them, and having fun at the same time?
3. Lastly, is there a principle that you feel was not mentioned, but that is worthy of sharing with others? (we invite you to share it with us [pastordale@hopefellowship.ca](mailto:pastordale@hopefellowship.ca))
