I see you I see you Walking through a dream I see you	Living through life flying high Your love shines the way into paradise So I offer my life I offer my love, for you
My light in darkness breathing hope of new life Now I live through you and you through me Enchanting I pray in my heart that this dream never ends	When my heart was never open (And my spirit never free) To the world that you have shown me But my eyes could not division
I see me through your eyes Living through life flying high Your life shines the way into paradise So I offer my life as a sacrifice	All the colors of love and of life ever more Evermore (I see me through your eyes) I see me through your eyes
I live through your love You teach me how to see All that's beautiful My senses touch your word I never pictured	Flying high Your love shines the way into paradise So I offer my life as a sacrifice
Now I give my hope to you I surrender I pray in my heart that this world never ends I see me through your eyes	And live through your love And live through your life I see you I see you
